Assessor Comments	Buyers here's 7 neat tidy young steers to put away and grow out this coming spring & summer. They are well handled and of good breeding. They are being yard weaned since assessing and handled daily until delivery. They are in store condition and will go ahead on crop or pasture, this clients steers are normally sold into feeder markets under 12 months old and over 400kg. Vendor also has 12Heavier steers in same sale. These are good honest young cattle I'd recommend.
