Assessor Comments	110 (b double) Angus and Angus cross weaned Heifers , weighing 150 - 250 kgs to ave 184.8 kgs at assessment. Heifers present in store to forward store condition and given the access to good quality feed and the right opportunity should do very well. Heifers have been drafted to suit the domestic feeder or kill job, This is an opportunity to secure a large run of angus and angus cross light weight weaner heifers with the large rain over the Western and Northern Australia that would be ideal to set and forget.
