Assessor Comments	A wonderful opportunity to secure an even line of 81 vendor bred heifers, with years of breeding behind them and a tight

	weight range. Bungle Boori has a reputation of producing well sort after cattle, sourcing bulls from the top of the pick of Connamara Angus, these heifers show that quality breeding with strong frames and good shape and are a noticeable improvement on last years weight and quality across the mob. With Spring right around the corner these heifers are well weaned and are an excellent line to take forward and grow out for breeding or backgrounding. Buyers note a small amount of heifers left in with light pink eye scarring deemed not detrimental (see photos)
