Assessor Comments	Buyers here is an opportunity to purchase good quality young Angus females with many years of breeding ahead of them. These heifers have been joined to LBW bulls from Clunie Range, Burenda & Booroomooka Angus studs but were undetectable at time of pregnancy testing. Some of these heifers have a large amount of daggs on their tail due to a fresh oats crop. Please note 2 heifers had white near their udder. Same vendor has another 2 lots of Angus heifers in the same sale.
