| Assessor Comments | 6 hfrs with 5 calves at foot and one on the way. Last hfr is well on the way to calving. Vet preg tested today at assessment. Calves are very sappy with hfrs doing a premium job on them. One hfr has a lump on chin that Vet has treated today and given medication. Ideal units to rejoin and watch the calves grow like mushrooms. Almost all the hard work is done. Reserved at only $2200 |
