Assessor Comments	An opportunity to secure line of 13 Angus cows that are proven with huge potential. These young 2-4 year old females averaged 432kg at assessment and showed solid quality types. Females are PTIC to an Angus bull and are ideal for restockers looking to boost numbers while retaining quality. Cows display good balance, depth and are well grown productive females note 2 heifers did display old pink eye scaring vision was check at assessment and sight was apparent. These females come with all the hard work done, PTIC, Vaccinated and Drenched less than a month ago.
