Well behaved line of Hfrs with calves at foot. Only one Hfr played up in the crush.

Handled With: On foot , Vehicles

Assessor Comments: Terrific line of Angus and BB Hfrs with Angus and Limo X calves at foot. Apart from one little hard doing calf the rest of the calves are in fantastic condition and obviously getting plenty of milk from their mums. 6 of the calves had had pink eye with scaring visible and one had had it in both eyes . Calves are marked and had double 5 in 1 Vac and cows are up to date with their vaccinations. Vendor is prepared to make Moss Vale saleyards the delivery point as the farm is just too wet for a bigger truck. Hfrs are ready to rejoin to the bull of your choice.
