Assessor Comments	An even line of third and forth calving Angus cows with Speckle Park CAF. These cows are of medium to small frame and present in store condition as a result of the season and doing a great job of their calves. Given favourable conditions these cows will improve with spring just around the corner. Cows were purchased in calf to the Speckle Bull from Northern NSW and have been running back to the Stoney Fold Angus Bull (L21) since calving. Please note one Red Speckle Heifer Calf.
