Assessor Comments	A fantastic opportunity to purchase extremely well bred heifers from a renowned Pathfinder Angus cow herd. The heifers have held up really well considering they have gone through bushfire in January and now a ordinary start to our season, they present in good forward store condition. They were a pleasure to handle through the yards. In calf to JAD Navigator N40 (Speckle Park) bull with their 1st calf. They are due to start calving shortly for a period of approximately 8 weeks. Here is an opportunity to purchase quality breeders where all the hard work has been done.
