Assessor Comments	Buyers, here is a 3 deck line of very good quality, soft, MSA and Grassland accredited weaned heifers with all the hard work done. They have a live weight range of 210kg to 347kg and have an average weight of 241.2kg after a 5% delivery adjustment. These heifers will suit a range of markets however would be ideally suited as replacement breeders or trade heifers taking them through to feeder or slaughter weights. They stand on strong bone and show great frame. The heifers are showing good weight for age and are starting to power ahead and will continue to do so if given the opportunity on good feed. Please note there is only one dehorned heifer in this lot the balance are poll. The heifers have been pretreated for ease of tick clearing, if a purchase is made from the tick free zone it will be the purchasers responsibility to ensure all tick clearing rules are followed.
