| Assessor Comments  | 8 Speckle Park and Limousin cross heifers. Good quality, soft heifers that show good muscling. These heifers would suit being grown out and joined as future breeders or finished for the domestic trade market. Quiet to handle in yards and holding paddocks.                                                                                                                              |               |                                     |
