Assessor Comments	A very even line of 1 mark Poll Hereford Heifers. These heifers are well grown and are displaying good weight for age. They are heifers with bone, and softness. The Chaston Pastoral heifers were great to handle and are a testament to the vendors selection criteria for growth, muscle and temperament. These heifers were weighed out from 303 to 394kg. Heifers that would suit joining or fattening for the trade. The Chaston cattle have a great reputation for their excellent temperament and doing ability. Highly Recommended. Grass Fed & No Antibiotics *Note the vendor has 3 other lots of steers, and 1 lots of heifers in this sale* Totalling 97 Steers & 43 heifers.
