Assessor Comments	Prime lamb breeders, here is a great opportunity to purchase young first cross ewes SIL and ready to go. A total of 506 head of the same description to be offered in 2x lots of 253 head. Ewes were purchased on AuctionsPlus in 2 lines ex Walgett and the local district. They show good frame and have grown out well. Mouthed 10 ewes and observed 8 solid lambs and 2 hoggets. Ewes are SIL at 118% to Roseville Park, Cold Water Creek and Rene Charollais rams. Twin bearing ewes marked with a blue dot, and if sold in 2 lines twins will be drafted and delivered in even numbers. Please note pregnancy status of ewes, would not recommend transporting long distances and also please note 3 day delivery. A great opportunity to secure young ewes with all their productive lives ahead of them. Be on the front foot leading into spring!
