These steers worked very well through the yards on assessment and are great to handle in the paddock. The odd steer stirred up when in the crush but settled once back in the mob. They have been extensively worked with dogs and bikes and have been in a rotation since weaning.

Handled With Bikes , Dogs , Vehicles

Assessor Comments A line of 104 coastal bred weaned steers which present in perfect condition to achieve huge compensatory gains. These steers where weaned on 28th June and have since been in a rotation program being handled with dogs and bikes regularly. Sired by brahman, simmental, senepol and angus bulls these steers have a great reputation for doing ability from past buyers. Please note the vendor will pre treat these steers on friday 9/9, if a clean buyer purchases with all other clear costs to fall upon the buyer. Note there are 6 steers in this mob that were bought on a line of cows and calves but have vendors brand. Overall a great opportunity to buy a line of weaned costal steers which will power ahead.
