Assessor Comments	Buyers here presents a great opportunity to buy 3 decks of high performing steers from the renowned "Maranoa Downs" herd. These steers are best described as mainly good to very good quality, good bone, structure and confirmation. Steers that will make a feeder steer or bullock in no time. These steers were bred using good quality Angus, Simmental and Limousin bulls out of a soft Droughtmaster/Euro/British X cow. Please note in breed breakup Limousin refers to both Black and Apricot bulls. After assessment steers were put back with cows in large holding paddock and will remain with cows until delivery. Cattle come highly recommended. Also another 3 decks heifers same vendor in this sale.
