Heifers worked well through yards and crush. 1 heifer did want to run about in yards but not aggressive and worked well in mob.

Handled With Bikes , Dogs

Assessor Comments Heifers are well grown and show good bone and shape. All heifers mouthed and have very solid milk teeth. Has been a very wet winter but heifers are doing well now. Heifers are in good store-forward store condition and have the potential for good weight gain. Would suit to take through to feeder weights or heavier kill cattle. Would also make a good line of future breeders to join to the bull of your choice. Vendor has another two lots this sale.
