Assessor Comments	A quality line of un-joined future breeders on offer. These heifers were all bred at Herbertvale Station at Camooweal, out of a top-quality line of females bred by the Hawkins family and have been down at Coominya for two months. They are all sired by Glenland Droughtmaster Bulls. This line of heifers are showing good growth and ready to join to the bull of your choice. The vendor has pre-dipped and treated the heifers with dectomax injectable for ease of clearing if required to go to clean country. Don't miss this top-quality line of future breeders.
