Assessor Comments	A line of Santa/Angus & Angus weaner heifers presenting in store condition and by Glenn Oaks Santa bulls & Clunes Crossing Angus bulls. 1 heifer was weaned at assessment while the rest were weaned 24/6/22. Heifers have been bred on light forest country and should do well for potential buyers. Heifers were good to run through crush but were a little agitated but settled straight after. Heifers are showing good frame for weight and with good nutrition should show good compensatory weight gains for buyer. **Please Note** One heifer had facial warts present. Vendor has several lots in the sale.
