Heifers handled well in yards and crush a few heifers wanted to run about a bit in yards but easily blocked up. Nothing aggressive.

Handled With	Bikes , Dogs
Assessor Comments	A very good line of Charbray Heifers. Heifers have not been joined and Preg Tested not detectable on 12/07/2022 and no access to bull since then. Heifers are well grown and show good bone and type. A very good line of heifers that would be a very good draft of future breeders or suit feeder markets.
