Very well handled heifers that were a pleasure to assess, the odd heifer stirred momentarily under pressure but fine once back in the mob.

Handled With: Bikes , Dogs , Horses

Assessor Comments: An outstanding line of heifers that are the lead draft of the ultrablack style, composite vendor bred heifers. These are ideal future breeders and will grow into magnificent females under the right conditions. The vendor has not retained any of these composite heifers. A perfect opportunity to purchase a great run of heifers that would fit any job from breeder to feeder.
