Assessor Comments A RARE OPPORTUNITY TO PURCHASE SOME GENUINE WAGYU GENETICS THE SUCCESSFUL BUYER WILL ALSO GET STRAWS (1 per cow) FROM 1 OF THE FOLLOWING BULLS OF THEIR CHOICE - E2 OR E10. A nice line of 9 young purebred cows/heifers with an A grade temperament. You won't find cattle much quieter and it is a real credit to the breeder and vendor for the way these cattle have been handled. These cattle are in tick country but have been pre treated twice and will be sold clear of the dip but it is the buyers responsibility for freight. These young cows/heifers (refer to age section for exact ages) are at the start of their breeding journey, with many years of calving ahead they will be a real asset to any breeding program. Registrations for both bulls (E2 and E10) are attached in the pictures. HAYES AND CO CAN HELP ASSIST WITH FREIGHT TO SOUTHERN OR WESTERN AREAS.
