Assessor Comments	This is a well bred registered Bull, has a great bloodline background with the "Wattle Grove & Waratah Bloodlines" see pedigree in photo's . This bull is only 17 months of age and has a lot of growing to do. Currently sitting at 530 kg he's just a baby. He walks around very well and stands well, as you can see by the video just how quiet he is. This is a great opportunity to get a well bred bull to either suit your Stud Duties on a great improvement on your Commercial Herd.
