	These 3 Cow's were easy to handle and drafted away from the others in the yards on time of assessment. Walked through crush and weigh box quietly and back into other's after assessment.							
Handled With	Bikes , Dogs							
Assessor Comments	Only 3 Cows in this draft, wont be long before one drops a calf. This vendor has another 6 x 6 Cows & Calves in this Auction which are part of same draft but have calved a little earlier than these 3 Cow's. Spring is around the corner so now is the time to start sourcing some breeders for the green tucker. Quiet Cow's good frame and are ready for a new home. Don't forget to look at other listing of the 6 x 6 Cows & Calves and keep them together
