Assessor Comments	6 Cow's & Calves , nice calves out of crossbred Cow's. Cow's are mostly large frame and are milking well and looking after their young calves. One Crossbred Angus Cow has some fly scarring down the neck, A Handy draft of breeder's with quality Angus Calves on the ground. The same Vendor has another 3 Cow's in this Auction that have not calved as yet which could be purchased and joined back into this draft. These are only being sold as Vendor has sold and has no where to take the breeders at this present time
