Assessor Comments Check out this small Quality Line of EU Ultrablack Heifers PTIC to Low Birth Weight Glenisa Angus Bulls. Heifers were bred at Bonalbo & purchased from Auctions Plus as Weaners. Heifers are out of Rennylea & Eaglehawk Angus Cows &

sired by Nooindinaba Ultrablack Bulls. At Assessment a couple of Heifers were slightly stirry in the crush but settled down when back with the mob. These Heifers have been running on natural pastures at Plain Station Tabulam at the Head of the Clarence River. As seen in the video's these Heifers are very well handled & will make nice Cows going forward. I stongly recommend buyers to check out these heifers as you will not be disappointed. Vendor has 1 other lot in this sale.
