Assessor Comments	A lovely line of Angus cows & calves that have been rejoined to the Minnie-Vale and Palgrove Charolais bulls since 22/07/22. These cows are still in great condition given the wet winter and doing an outstanding job on their Charolais calves. A portion of the cows were mouthed and all mouths were still very sound. All the cows are still neat and tidy in the udder and are producing ample amounts of milk. The calves are full of shape and bone and will be outstanding weaners in the future.
