Assessor Comments

A very attractive line of Charolais/Charbray heifers that are PTIC to the Nairn Park Angus bull who is a low birth weight calving ease son of Ayrvale Bartel E7. Heifers are in ideal calving condition. Heifers display softness and bone and will develop into quality future breeders. Heifers are tidy in the head as either polled, scurred, or dehorned. Preg tested a vet 4-8 months in calf. Heifers have 2 marks "Lambina" Marla SA & "Breedon" Longreach QLD. Both Charolais/Charbray based herds.
