	well educated line of heifers have been well handled by a stockman, well exposed to dogs, horses and side by side. however not handled with dogs since they have calved.			
Handled With	Bikes , Dogs , Horses , On foot , Vehicles			
Assessor Comments	A very well bred line of angus & angus x heifers purchased from the Stackman Family, these heifers are still in their winter clothes and should bound ahead if shown some warmer weather and feed, the calves at foot are not marked however have had a 5 in 1 at assessment. These heifers are doing a great job on their calves there is 28 days from the first born to the last born. Ideal line to put add to any herd.
