A excellent run of heifers with exceptional temperament, cattle are often weighed and handled through the yards regularly

	as this stud is owned by a local high school. Stirry cattle are not tolerated as they they are always in contact with students. Heifers flow through yards well and were easy to weigh and mouth. A very good line of easy going heifers for persons with less experience with stock

Assessor Comments	An exceptional line of registered shorthorn stud heifers with reputable bloodlines including Kamilaroi, Spry, & Futurity bloodlines. This is the studs annual sale of females as 8 heifers were retained back to the stud, a tail of 10% were were withdrawn that were surplus to requirements and are left with only quality stock to offer.Buyers please note there is 2 roan coloured heifers and 1 red/white coloured heifers they are all displayed in photos. Heifers have all been worked and handled by school-children and temperament is an absolute feature. Heifers are of up most quality and would suit any stud or high quality commercial breeder looking to add to their herd as these heifers are ready to join future breeders.
