Assessor Comments	Good line of Angus heifers and calves, these are the true to type angus heifers and have plenty of frame, they are doing a great job on their fresh calves and are on a rising plain of nutrition coming out of winter. Ideal spring calving time in these heifers. They are stylish heifers that have been purchased off Auctionsplus and locally, grown out and joined to lbw angus and hereford bulls. Two heifers have a small amount of scarring(blue eye) in one eye. Calves are by the Wattletop Angus and Elite Poll Hereford bulls.
