Handled With	Very good to handle. Bikes , On foot , Vehicles					
Assessor Comments	Young honest speckle park cows that have their second calf a foot. They calved as 2 year olds and went straight back in calf. The cows have good milk under them and raise good calves. The first lot off weaners off them av 300 kg at 8 months of age. Buyers please note that one cow has not calved yet but is on the point. The last photo is of her.
