Cows were an absolute pleasure to handle and assess, one has been put down as slightly stirry to cover the fact that this line hasn't been trucked very often.

Handled With	Bikes , Dogs , On foot , Vehicles
Assessor Comments	A very quiet line of Watervalley bred cows with Doodle Cooma calves at foot, cows have been running with the Table Top Angus bull that shows outstanding 400 and 600 day growth and a low birth weight to boot since 6-9-2022. This line of cows presents a perfect opportunity for a quick turnover for prospective buyers with a nice sappy calf at foot. Purchasers can bid with confidence that these cows will perform if given the opportunity.
