Handled With	Bikes , Dogs , On foot , Vehicles
Assessor Comments	A very good quality line of Connamara and Scott's Angus blood heifers that are presenting in fantastic condition for calving. *Prospective buyers please note that 2 cows are presenting with slight white patches on the udder and approximately 16 with old ringworm signs. * Buyers can purchase with confidence that all heifers are purely surplus to requirements and will grow into good frame productive matrons, these females come with the highest of recommendations.
