Assessor Comments	On offer is 8 quiet Angus/Friesian x Heifers with 3-5 mth old Limo calves at foot. These young vealer mums are doing a good job on their first calf and will produce good vealers. The heifers are sired by AI Angus bulls out of good frame friesain cows. The calves are sired by Iseco Limousin bull and have been marked. Heifers have been redepastured to Limousin bull since early Aug until delivery. All heifers calved unassisted and were all nice and quiet to handle. 8 quiet heifers and calves, drenched, vaccinated, marked and hopefully rejoined. Its all been done.
