Handled With	Well behaved bull, became mildly distressed in the yards being drafted off a few ignorant steers that wouldn't peel off. Walked into the force and led straight around and up the race knowing where to go. Stood quietly on the scales and exited at a walk. Pushed out in to a holding paddock for photos and was well behaved while walking around on foot getting photos and videos.

Assessor Comments	Well muscled, soft skinned Santa Bull with plenty of length, good shape & a lovely rich cherry red coat. Has been an excellent heifer bull for the last 2 seasons, Covering all females and not having to pull any calves. Easy to handle in and around the yards. Only selling due to retaining his offspring. Realistically reserved as his been a very good sire & would like to give a producer the chance at him on here before sending him to the yards. Please see photos & video for full contentment.
