Assessor Comments	A wonderful opportunity to secure some very well bred Angus Heifers & Calves. These large framed Heifers are genuinely only 2 years old and are Pure Dunoon Angus blood. They all have plenty of milk and are doing a terrific job on their very sappy calves. The calves at foot are all 1-3 months of age sired by Jade Park Angus Bulls. They have not been rejoined. These Heifers and Calves are only up for offer due to a change in operation and I'm certain they would suit any herd and or breeding program.
