Handled With	Bikes , On foot
Assessor Comments	A line of Square Meater x Friesian second calvers, PTIC to a "Yancowina" Angus Bull for a late spring calving. These cows were bought in as Bobby calves off a local well known dairy farmer with high producing cows. The difficulties of a first calver behind them with majority of their breeding years ahead of them. Quiet, no fuss bucket reared cows, easy to handle. Starting to soften down and spring up nicely.
