Very well mannered young females. Extremely quiet to handle in and around the yards. Stood like lambs in the crush, and all exited at a steady walk. Lovely breeders that could be handled by a stock person of any experience.

Handled With	Bikes , On foot , Vehicles
Assessor Comments	Medium framed females that won't eat as much as a large framed matron, but will still produce a good strong Spring calf. All carrying a large, healthy bag of milk and are doing an excellent job with their young calves. Good line of young mothers that have the temperament and frame to be best suited to a hobby farmer wanting to utilise some of the incoming Spring feed. Please see photos & video for full contentment.
