	Well mannered, experienced females. Easy to handle around the small yards, despite being in close proximity at all times, they were very well behaved and never showed any signs of flightiness. Walked out of the yards calmly to take photos in an adjoining holding yard. All stood quietly and grazed while being photographed.		
Handled With	Bikes , On foot , Vehicles		
Assessor Comments	Small line of Shorthorn/Hereford females with big, sappy calves at foot. Cows are in healthy store to prime condition, carrying good bags of milk and doing an excellent job on their up & going calves. Perfect units to take on for a split job, or for a hobby farmer to utilise some of the additional incoming Spring feed. Please see photos & video for full contentment.
