Assessor Comments	A well bred, good quality line Red Angus/Friesian x Cows with Red Angus Calves & 1 Friesian Calf at foot. Good large frame maternal Cows with great milking capability, doing a great job with their calves and present a great opportunity to purchase possible 3in1 units with Cows running with the Red Angus Bull. Calves are in fresh forward condition, ready to utilize the spring feed and will grow out for intending purchasers. Cows and calves have great temperament with Cows being hand reared. These cattle have done very well for previous purchasers. Please note 1 Cow lost her calf and has had a Friesian Steer calf put on her which she has taken on.
