Assessor Comments	132 head of vendor bred heifers. These cattle are showing good growth and have plenty of frame to perform. An opportunity to buy a good run of young heifers that are ready to go on with and that have a single brand apart from 2 heifers that are owned by a family member and bred on the property. Coming off good Mitchell grass these cattle will go forward to join to a bull of your choice or perform in the feed yard. Buyers please note that due to yard space the heavy and light lines were boxed and are photographed together. Heifers are identified by a bang tail. Some heifers have slight scarring from buffalo fly and some are showing evidence of lice. Vendor has other lots in this sale.
