Assessor Comments: Buyers, on offer are 112 Good Quality milk tooth Charolais, Santa, Angus and Simmental cross infused heifers. These heifers would be ideal to join to a bull of your choice in the coming months, with heifers showing very good feminine characteristics and would be an asset to anyone's breeding operation. Heifers would also be ideal trade feeder heifers suiting all domestic markets with cattle being drafted on a trade grid spec. Heifers show good weight for age, with plenty of length and dept and could also be taken through to heavy feeder/Kill weights suiting all domestic markets with potential MSA gradings. Buyers please note, one heifer had warts around head, and two heifers with old blight scarring at time of assessment. This is your chance to secure four decks of good quality heifers that are not to be missed.
