Assessor Comments	Gilliland Livestock Marketing presents 17 Santa and Charolais cross backgrounder steers. These steers have been grazing		

on lighter forest pastures at Innisplain and present in forward store condition to average 301kg (at delivery). A very well handled line of steers with a great temperament which would make them suitable for many operations. These steers have plenty of compensatory gain and will excel on an oats crop or improved pasture. Overall, a great line of quiet steers.
