Assessor Comments	A good to very good quality line of black steers, medium to large frame with good weight for age. They suit to background to heavier feeder weights. They have been well trained to bunk feeding and will make excellent feeders or could be taken on crop to 100% GAQ slaughter steers. Note other lots this sale same vendor. 4 steers noted with a little white underline, approx 5 steers noted with a slight eye blemish - not detrimental to doing ability.
