| Assessor Comments  | A good quality line of black steers, mostly large frame with good weight for age. They suit to background to heavier feeder weights. They have been well trained to bunk feeding and will make excellent feeders or could be taken on crop to 100% GAQ slaughter steers. Note other lots this sale same vendor.                                                                              |                                           |                                        |
