| Assessor Comments | A very good quality Speckle Park cross steer, medium/large frame with good weight for age. Would suit to feed up as a show steer or commercially would be suitable as an export feeder steer. Note two other steers this sale same vendor. The three steers have been treated twice with 7 in 1. |      |                |      |                                     |      |
