Handled With	Heifers flowed well through yards, if under pressure some became agitated. Heifers have been handled by capable stockmen in a larger operation. Bikes , Dogs , Horses , On foot , Vehicles		

Assessor Comments	A good run of vendor bred heifers that would make ideal future breeders and are ready to take home and join. Heifers present in a strong healthy condition and are performing well with the warmer weather. A great opportunity to acquire well bred heifers with their lives ahead of them, heifers were identified as future breeders by the vendor and would have normally been retained due to a change in direction they offer the opportunity to the market and will be sold.
