| Assessor Comments  | 26 NSM Angus Heifers that weighed from 280kg - 400kg to average 334kg at assessment. These cattle are well bred carrying Pine Creek, Taloooby, Pentire and Sugarloaf bloodlines. Their animal health is up to date and have been weaned, handled and present in store condition. Suitable to join to the bull of your choice and retain as future breeders, background for late spring / early summer entry into a feedlot or would finish for an MSA domestic market early next year. They are just losing their winter coats and now Spring is upon us, should really fire. |                                     |       |                 |                |                                           |                                     |       |      |
