Assessor Comments	This is a top line of EU Accredited Angus heifers the Morse Family have been breeding with Farrer bulls for over 20 years with chasing bulls with moderate birth figures .The Fertility is very high in this breeding herd as they join for 6 to 8 weeks the weights are a nice tight weight group from 333 to 400 kg. These heifers are all age branded on the rib with a 1.I would highly recommend these heifers to go into a breeding herd . NOTE ; There where 4 heifers with small white under neath .
