Assessor Comments	An opportunity to secure 35 high quality angus females with huge potential. Coming from well respected, Mione Pastoral. These future breeders are backed by the proven genetics of Millah Murrah, Gilmandyke, Ben Nevis and Yamba Bloodlines. Displaying great condition these heifers are well grown and would be a great addition to any program. Averaging 446.6kg at assessment. Heifers have never had a chance with a bull but have also been PG needled when bought in Autumn 2022 and have been pregnancy and reproductive scanned recently for buyer assurance. Set up and ready to join your program, these heifer have had everything done right in their preparation for sale from health treatments to reproductive tests, you know exactly what your a buying.
